

RDKit UGM 2025 – Venue Logistics

Floor Plan

Lectures will be in room [BI](#), which is located on the ground floor in building B of UCT Prague (just behind the [entrance](#) to the building). The coffee breaks will be in the “Respirium”, which you can reach by following the hallway on your left as you exit room BI. You can also take a breather on the terrace, which is one floor below and you reach it by turning almost 180° at the reception barrier and then follow the stairs into the basement and then outside. There is also a cafe called “Carbon” in the basement, which should have decent coffee but is very tiny. Here is a map of some POIs to help you navigate:

Pictures of each POI at the end of the document.

WiFi Network

We have arranged a WiFi network for the conference:

SSID: rdkit

WPA Passphrase:
UGM2025_1012

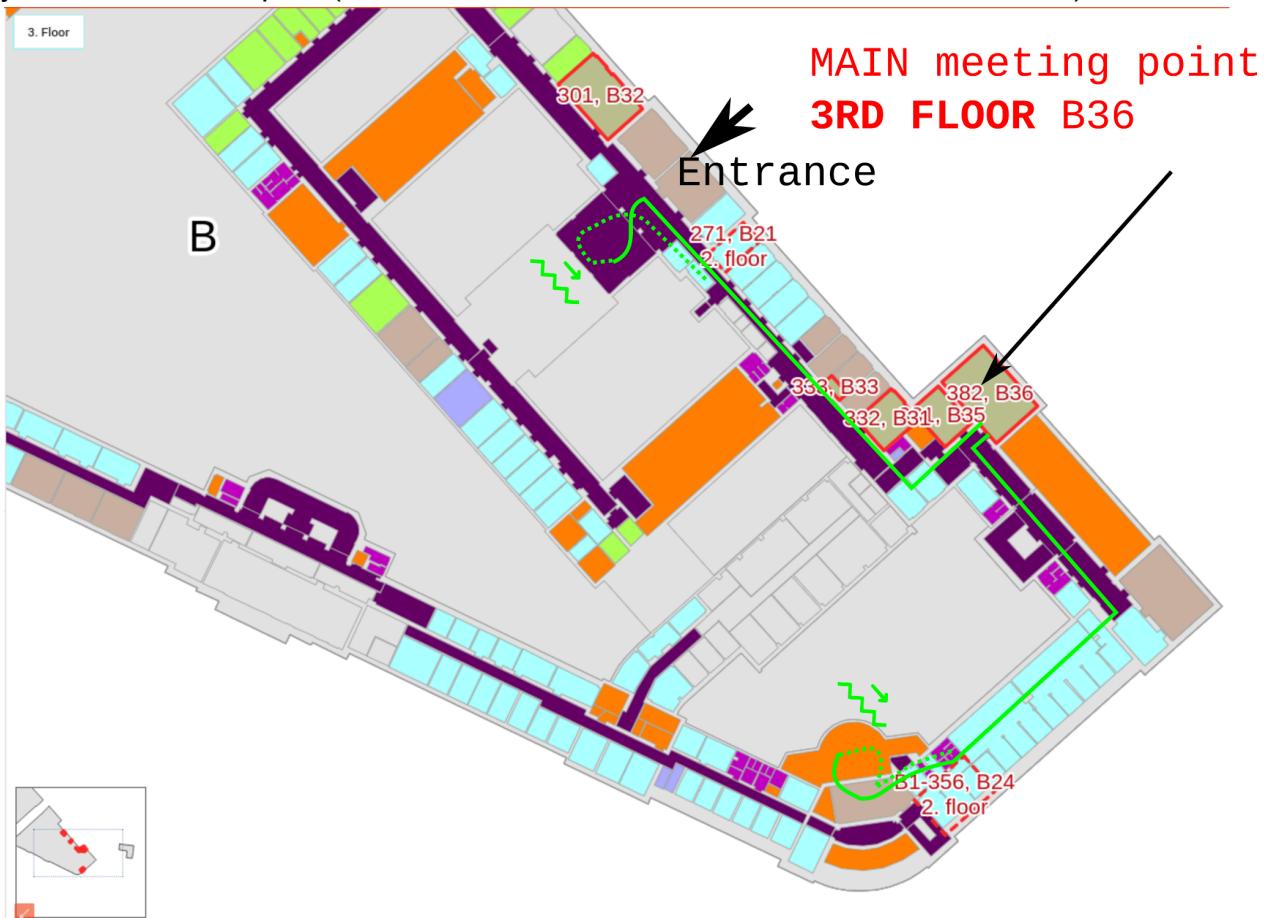

Dinners Location

Both dinners will start at 19:30 at the [Masaryk Cafeteria](#). The dinner will be in the cafeteria on the ground floor at the end of the foyer:

Floor Plan - Hackathon and Workshops

Navigating to the hackathon and workshops will be more difficult so we will meet at the entrance at 8:45 on Fri and show everyone the way to their rooms. However, you can also try your luck with this plan (B36, main hackathon room, should be easier to find):

Respirium

Terrace

Carbon Cafe
